2nd International Nursing and Midwifery Conference

Quality Nursing: Impact on Patient Outcome

Abstract Submission Guidelines

1. Select the most appropriate theme for your abstract, aligned to the theme above
2. You may submit as many abstracts as you like as a presenter or first author.
3. These abstracts should not have been submitted in any previous Health Sciences Research Assemblies.
4. Abstract(s) should not exceed 450 words and should submit in structured format introduction/objective, methods, results and recommendation/conclusion.
5. Every care must be taken to write an error free abstract
6. The committee reserves the right to accept or refuse any abstract submitted.
7. Do not include tables, diagrams or graphs in the abstract.
8. Please mark your preference for oral or poster presentation. Also note that due to time constrain it will not be possible to accept all request for oral presentation.
9. Your poster size should not exceed 92*210cm.

Note: Last date of abstract submission will be 28th February 2018.

Please send your abstract on the following email address;

zohra.javed@lnh.edu.pk

sayed.yousaf@lnh.edu.pk
