Inauguration of LNH Diabetic Care Clinics and Services Centre, Gulshan-e-Iqbal, Karachi

The Liaquat National Hospital (LNH) Diabetic Care Clinics and Service Centre at Gulistan-e-Jauhar, Karachi, is a part of Liaquat National Hospital's outreach programme to provide quality health care to the community at an affordable price and is the

fourth outreach centre of the LNH network. It is located at a conveniently accessible location and is designed in a state-of-the-art manner. This outreach centre brings together the best of medical services under one roof.

Unveiling of renovated Female Medical Ward

On April 12, 2016, Dr. Salman Faridi, Medical Director, LNH and LNMC, inaugurated the renovated Female Medical Ward. It is a busy ward where patients of medical and allied specialities are admitted. The renovated ward consists of 16 semi-private beds and a state-of-the-art step down unit with 4 beds. The nursing counter is easily accessible and is in the centre of the ward. Besides this, there is a Seminar Room for teaching undergraduate and postgraduate students and a room for the Senior Registrar. The consultants and staff deliver patient care in partnership with the rest of the healthcare team including patients and their families.

Opening Ceremony of renovated Cardiac Ward and Coronary Care Unit II

The renovated Cardiac Ward and Coronary Care Unit II at LNH is among a series of health infrastructural projects aimed at providing better patient care to the population. The Coronary Care Unit comprises sixteen beds to cater for patients with acute coronary problems. In order to uphold cardiology services a team headed by a Consultant works together with fully qualified cardiologists, Medical Officers and nurses for the management of cardiac units. Dr. Salman Faridi, Medical Director, LNH and LNMC, inaugurated this unit, in the presence of directors, management and staff, on April 13, 2016.
