

Pre-Symposium Workshops List

S.NO.	DATE	DEPARTMENT	WORKSHOP TITLE	CHARGES
1	14th December 2024	Family Medicine	Transforming Multimorbidity care- Innovative Patient Centered Framework for Family practice	1000
2	16th December 2024	Mental Health	Crisis to care: Suicide Risk Assessment and Intervention	1000
3		Research & Skills Development Centre (RSDC)	Neonatal Resuscitation Program	15000
4	17th December 2024	Accident & Emergency	Mastering Primary Survey in Trauma Patients	1500
5		Community Medicine	Endnote Referencing	1000
6		Ethical Review Committee	Ethics Essentials: Building a Foundation in Clinical Practice	1000
7		Endocrinology	Mastering Management of Type II Diabetes Mellitus	1000
8		Family Medicine	Beyond the scale-A multidisciplinary approach to Obesity management	1000
9		Gynae & Obstetrics	Enhancing Early Detection: Innovations in Cervical Cancer Screening and HPV DNA Testing	1000
10	18th December 2024	Accident & Emergency	Pearls Of Emergency	1500
11		Gastroenterology	Helicobacter Pylori: Diagnostic dilemmas and it's therapeutic challenges	1500
12		Paediatrics	Recognizing and Responding to Child Abuse and Neglect: A multidisciplinary Approach	1000
13		Pharmacology	Biological Waste Management and Assessing Risk for a Safer Future	1000
14	19th December 2024	General Surgery	Organizing an effective morbidity and mortality meeting	1500
15		Cardiology	Role of Echocardiography in multidisciplinary hospitals	1000
16		Family Medicine	Integrating Artificial intelligence into primary care-Opportunities and challenges (Online Workshop)	1000
17		Quality Assurance	EvacuAid: Mastering Patient Evacuation Techniques	2000
18	20th December 2024	Paediatrics	Airway management Workshop	1000
19		Internal Medicine	Medical communication and interviewing	3000
20		Family Medicine	Leading with the 5 M's: Geriatric essentials for primary care (Online Workshop)	1000
21		Research & Skills Development Centre (RSDC)	Women Health in Practice: Essential Gynaecological & Obstetrical Skills	1000
22	21st December 2024	Paediatrics	Paediatric ECG Interpretation	1000
23		Anatomy	Enhancing Anatomy Learning through concept mapping-Hands on workshop for educators	1000
24		Cardiac Surgery	Workshop on Coronary Anastomosing	1000
25		Family Medicine	Conversations that inspire-Motivational interviewing techniques for lifestyle modifications (Online Workshop)	1000

Pre-Symposium Workshops List

S.NO.	DATE	DEPARTMENT	WORKSHOP TITLE	CHARGES
26	21st December 2024	Health Professions Education	Developing AI Powered Presentation	1000
27		Internal Medicine (Infectious Disease)	Antimicrobial Resistance and Stewardship role	1000
28		Orthopedics	Non-operative Management of Fracture	1000
29		Oncology	Safe and effective Portacath Access Techniques	1500
30	22nd December 2024	Orthopedics	Operative Management of Fractures	2000
31		Dental & Maxillofacial Surgery	Dental Implant Workshop	10000 PKR
32	23rd December 2024	Family Medicine	From Assessment to Intervention – Childhood Malnutrition management in Primary Care	1000
33		Publication (Research)	Step by step guide to Research Protocol writing	1000
34	24th December 2024	Dermatology	Hands on training of PRP and microneedling (face and scalp)	1000
35		Orthopedics	Pelvic Osteotomy Workshop (Pediatrics)	1000
36		General Surgery	Laparoscopic suturing- Gut Anastomosis	2000 PKR
37	26th December 2024	Plastic Surgery	Hair Restoration Hands on Workshop	15000 PKR
38		Research & Skills Development Centre (RSDC)	Pulse of Innovation: Mastering Medical Technology in Critical Care (Hands-On)	1000
39	27th December 2024	Physiotherapy	Active Steps: Physiotherapy and Exercise for Type 2 Diabetes Management	1000
40		Publication (Research)	Navigating Journal selection and successful publication-A Guide for Researchers	1000
41		Research & Skills Development Centre (RSDC)	Stay Calm, Act Fast! Emergency Preparedness for the Workplace & Beyond	1000
42		Anatomy	Dynamics of Flipped Classroom from passive to active Learners	1000
43	28th December 2024	Health Professions Education	AI tools in Research: Exploring literature, Analyzing data and navigating Ethical challenges	1000
44		Haematology	Essential Skills for Mastering HPLC Data Interpretation	1000
45		Neurology	Basics of Neurophysiology interpretation reports.	1000
46		Rheumatology	Soft Tissues and Intraarticular Injection Techniques(Hands on experience)	1000
47		Rheumatology	Diagnostics in Rheumatology: cracking pictorials and serology	1000
48		Paediatrics	Early Pick Does the Trick, Hine Score for Early detection of CP	1500
49	29th December 2024	Nephrology	Basic principles and application of CRRT	1000
50		Dental & Maxillofacial Surgery	Direct And Indirect Veneering	10000 PKR
51		Orthopedics	Sports Injury - from prevention to treatment	2000 PKR
52		Dental & Maxillofacial Surgery	Effective Patients Communication & Management Skill With Infection Control Protocles	1000 PKR

Pre-Symposium Workshops List

S.NO.	DATE	DEPARTMENT	WORKSHOP TITLE	CHARGES
53	30th December 2024	Occupational Therapy	Occupational Therapy, "The Present and the Future"	2000 PKR
54		Family Medicine	Holistic chronic pain management- Bridging medicine and wellness	1000
55		Nephrology	Pocus in AKI	1000
56		Radiology	HRCT- Pattern Recognition and Difficulties	1500
57	31st December 2024	Physiotherapy	ICU Physiotherapy Techniques for ventilated patients (Adult & Pediatric)	2000
58		Radiology	Chest X-ray Interpretation	1000
59		Statistic	Hands on Data Management and Analysis Using Excel and SPSS	1500
60	01st January 2025	Medical Technology	Hands on Training on Manual Mode Peritoneal Dialysis	1000
61		Medical Technology	Advancing ARDS Care: A Workshop on PEEP Optimization and PV Loop Interpretation	1000
62		Family Medicine	Embracing Compassion-Comprehensive Community Based Palliative Care	1000
63		Radiology	Musculoskeletal Ultrasound Hands on Workshop	2000
64	02nd January 2025	Physiotherapy	Radiological interpretation for Physiotherapists	2000
65		Medical Technology	Basic CPR for BSMT	1000
66		Family Medicine	Collaborative care: integrating breast feeding support into clinical practice	1000
67		Gynae & Obstetrics	Teaching Cystoscopy: Best Techniques for Trainers & Trainees	1000
68		Internal Medicine	Managing the unique healthcare needs of elderly	1500
69		Molecular Pathology	Chromosome Abnormalities and Cytogenetic Diagnostics	2000
70		Radiology and Breast Surgery	Mastering Breast Lump Localization and Lumpectomy: A Hands-on Workshop	3000
71		Paediatric Surgery	Paediatric Bowel Anastomosis	1000 PKR
72		Paediatric Surgery	Congenital Anomalies of Kidney and Hydronephrosis in Children	1500PKR
73		Anaesthesiology	Perioperative Arrhythmias	1000 PKR
74	03rd January 2025	Physiotherapy	Intergrating AI into Physiotherapy Research: from Conceptualization to Publication	2000
75		Biochemistry	Basics of Zotero:A Reference Management Software	1500
76		Radiology	Multiparametric Liver Ultrasound	2000
77		Speech Therapy	Breaking barriers innovative solution for dysphagia	2000
78		Publication (Research)	Grant Writing for Researchers: Turning your ideas into funded Projects	1000
79		Radiology	Hands on Workshop Central Lines Placement	2000
80		Neuro Surgery	Mastering Lumbar Pedicle Screws: Precision in Spinal Stabilization	1000 PKR
81		Neuro Surgery	Hands On burr hole workshop	1000 PKR

Pre-Symposium Workshops List

S.NO.	DATE	DEPARTMENT	WORKSHOP TITLE	CHARGES
82	04th January 2025	Cardiology	"From waves to Wisdom: ECG Interpretation Simplified"	1000
83		Forensic Medicine	Autopsy protocols	2000
84		Family Medicine	Improving Patient Outcomes- The power of Clinical Audit in Family practice.	1000
85		Health Professions Education	Diagnosing and treating Struggling learners	1000
86		Histopathology	Pathological Features and Clinical significance of B3 lesion of breast	1000
87		Internal Medicine (Critical Care)	Pulse of the ICU "Advanced Hemodynamic Monitoring Techniques"	2000
88		Microbiology Laboratory	Identification of Fungal Pathogens	1000
89		Orthopedics	Revision Knee Arthroplasty (Saw bone & Cadaver)	15000
90		Physiology	Hands on spirometry as per ATS guidelines	2000
91		Radiology	Mechanical Thrombectomy for acute ischemic Stroke	1000
92		Thoracic Surgery	Tube Thoracostomy – A Life Saving Procedure	1000
93		Radiology (Nuclear Medicine)	Molecular Imaging Workshop-18 FDG PET-CT in oncology	2000
94		05th January 2025	Orthopedics	Revision Hip Arthroplasty (Saw bone & Cadaver)
95	Dental & Maxillofacial Surgery		Prediction tracing analysis for surgical & non-surgical orthodontic cases	3000PKR
96	06th January 2025	Chest Medicine	Non-Invasive Ventilation: Fundamental and hands on practice	1000
97		Gynae & Obstetrics	Live Surgery Total Laparoscopic Hysterectomy	3000
98		Physiotherapy	Cardiac Rehabilitation, ECG Interpretation and CPR for Physiotherapists	2000
99		Internal Medicine (Critical Care)	Mastering Arterial blood Gas Analysis "From Basic to Interpretation"	2000
100		Nursing	Discovering emotional intelligence: Building personal and team resilience	1000
101		Paediatric Surgery	Pediatric Urinary Tract Infections	1000 PKR
102	07th January 2025	Chemical Pathology	Implementation of Quality parameters in Total Lab Automation: resources and challenges	1500
103		Family Medicine	Navigating Difficult conversions in Primary Care: Confidentiality and end-of-life Discussions	1000
104		Statistic	Hands on Advance Statistical Analysis for Research Using SPSS	1500
105		Nursing	Innovative Teaching Excellence: Leveraging Technology in Modern Nursing Education practices	1000
106		Urology	Tips and Tricks of RIRS	2500 PKR
107		Paediatric Surgery	Paediatric Respiratory Surgical Emergencies	1000 PKR
108		Plastic Surgery	Fibular Osteotomies for Mandibular Reconstruction	15000 PKR

Pre-Symposium Workshops List

S.NO.	DATE	DEPARTMENT	WORKSHOP TITLE	CHARGES
109	08th January 2025	Nursing	Nursing empowerment & engagement: Building high performance leaders in healthcare	1000
110		Physiotherapy	Teaching the Future: Advancing Physiotherapy Education through Power Lab	1000
111		Research & Skills Development Centre (RSDC)	Simulating Advanced Airway Management: Difficult Intubation & Video Laryngoscopy	1000
112		Pharmacy	Horizons of Community Pharmacy: Expanding the Pharmacist's Role in Healthcare Delivery	1000
113		Paediatric Surgery	Lower Urinary Tract Dysfunction in Children	1500 PKR
114	09th January 2025	Medical Technology	Minimal invasive surgery	1000
115		Internal Medicine (Critical Care)	Image-Guided Critical Care: POCUS and Echo Revolution	2000
116		Physiotherapy	Assessment and Management of GAIT in Stroke: A clinical Approach	2000
117		Physiotherapy	Mechanical Ventilator Mastery: From Basics to Advance	2000
118		Ophthalmology	Making your TRAB work	1000
119		Vascular Surgery	Vascular Anastomosis	1500 PKR
120		Speech Therapy	Functional Communication	2000 PKR
